Safety Management Consulting

Another Satisfied Client

Safety Management Consulting (Adrienne Cottell) provided Occupational Health and Safety services to our Canberra Projects and Service Departments.

The services included creation of Standard Operation Procedures (SOP), job specific Safe Work Method Statements (SWMS), Safety audits and assisting the project manager in setting up the site specific Project Management Plan inclusive of OHS / EHS and QA processes. This included the onsite application of the associated process and policy's,

Adrienne carried out her duties in a professional and courteous manner when dealing with both staff and client alike, she was a valuable member of the team and an asset to the branch.

Jim Wilks (formally Services Manager Heyday Group)
